Robinson+Cole Lawyer Appointed to Growth & Infrastructure Consortium Board of Directors

MIAMI, FL (January 3, 2018) – The Growth & Infrastructure Consortium (GIC), a consortium of public and private sector practitioners who work in the field of infrastructure planning, finance, and law, has appointed Robinson+Cole lawyer [Byron D. Flagg](#) to a two-year term on its Board of Directors. Mr. Flagg, a member of Robinson+Cole's Real Estate + Development Group, handles land use and environmental matters in Florida.

Mr. Flagg advises businesses, local governments, and property owners on land use, environmental, and real property matters. His practice involves helping clients with land use development projects, environmental permitting, zoning, comprehensive planning, property owner association matters, land use variances, special use permits, coastal projects, sovereign submerged lands issues, FEMA floodplain issues, wetlands issues, conservation easements, environmental enforcement and compliance matters, and regulation of navigation and boating in state waters. Mr. Flagg is also an experienced trial lawyer and, when necessary, handles litigation involving land use and environmental matters in federal, state, and administrative courts. He has litigated flooding cases, boundary dispute cases, easement disputes, enforcement of covenants and restrictions, permit challenges, and inverse condemnation cases.

The mission of GIC is to advance the discussion, theory, and practice of impact fees and public infrastructure finance needed to serve population centers nationwide. The further purposes of GIC are to encourage the exchange of ideas, information, and expertise between and among GIC members and the general public; bring together public and private sector practitioners to address the challenges of infrastructure planning and finance; educate and guide new impact fee and public finance practitioners, the general public, and other stakeholders; and provide an opportunity for professional growth and development for members of GIC and the general public.
